

"I loved it all, even those moments of extreme fear! Plunging into the bluest sky from 15,000 feet at 130 mph, the best roller coaster ride ever! Then the parachute opens and everything is serene and so beautiful."

seeking
a vaccine

AGAINST[®]
breast cancer

COULD YOU DO THIS...

in support of Against Breast Cancer's search for a vaccine?

Join thousands of others who have parachuted out of an aeroplane to raise funds for charity. Choose from a Tandem Skydive attached to a professional instructor or a Solo Skydive. No previous experience needed. Jump on your own... or with friends... or make it a team building exercise.

DATE: Various dates throughout the year

LOCATION: 20 approved airfields across the UK
